Also for Sale, VASP 036336 at \$774,000.

Welcome to this rare brick colonial with fenced back yard at the end of a quiet cul-de-sac on 1.3 acres! Spacious two-story foyer, grand staircase, formal living room AND professional office, separate dining room AND eat-in area off of the gourmet kitchen, flanked by a spacious family room with cathedral ceiling and fireplace with stonework to the peak of the ceiling. Don't miss the palladium front windows, and the main-level laundry with cleaning closet and extra sink, off the attached two-car garage. From the breakfast area, walk out to the deck through French doors. A large powder room rounds out the main level.

Upstairs through double doors is the primary retreat that runs front-to-back of the house with sitting room, a large walk-in closet with double "regular" closets as well as a linen closet. The primary bath is huge, with an extra-large shower, double soaking tub, private water closet, and double vanities with area for bench and makeup. Three other large bedrooms are upstairs, one of which could be a luxurious upstairs laundry, if you choose.

The lower level is unfinished, with walk-up stairs to the outside. Bring future plans or lots of things to store. Outside is a large yard fenced yard, partially maintained as lawn, and partially wooded. The driveway has ample parking for guests.

Feel your stress fall away as you drive past historic landmarks and enter a gated community brimming with southern friendliness. This community offers a championship golf course designed by Arnold Palmer, professional clay tennis courts, regular tennis courts, pickleball and basketball courts, pool and hot tub, exercise room, breath-taking scenery, walking and jog trails, playgrounds, fine dining and lots of community clubs. Call for details on amenities for all, or memberships.
